Open Monday to Saturday
8 a.m. to 4:30 p.m.

5400 Regional Road 25, Milton

For a full list of HWMS fees, visit www.halton.ca/waste or contact Halton Region.

New Recycling Pilot Project:

Plastic Plant Pots & Trays

Did you know? Plastic plant pots and trays are not accepted in the Blue Box because the plastic can be difficult to process with other acceptable plastic materials.

Plastic plant pots and trays can be easily recycled if they are collected separately. To make it easier to collect these materials, Halton Region is piloting a drop off recycling program for plastic plant pots and trays at the Halton Waste Management Site.

Residents can drop off plastic plant pots and trays for no charge at the Halton Waste Management Site. Residents must separate their plant pots and trays based on their "resin identification number"—look on the bottom of the pot or tray for the numbers 2, 5, or 6 inside the recycling triangle. The plant pots and trays collected during this pilot will be recycled in Ontario and made into new plastic products including new plant pots!

The pilot project will run from May 24 to October 31, 2011.

Making Halton a better place to live, work and retire.
Gary Carr, Regional Chair
