Wet spring fling

A wet, dreary day was livened up with a game of pelee recently as the Willow Park Ecology Centre in Norval hosted youngsters for a day of activities at its annual Spring Fling event. Pelee originated in Spain and was used as a spring renewal ritual to release tensions in the community, said NCE education program manager Teresa Rigg (pictured with baseball cap). Next on the calendar at Willow Park is the Big Daddy event on June 19.

Students meet premier

The Holy Cross Catholic Elementary School's Grade Five class received a special surprise visit on their field trip to Queen's Park on April 6, when they had the opportunity to personally meet Ontario Premier, Dalton McGuinty and ask him a few questions. The students later toured the Legislative Assembly Building and also met the Speaker of the Ontario Legislature, Steve Peters and MPP for Wellington-Halton Hills, Ted Arnott.
