

A group of local high school students has put together an evening of entertainment with proceeds earmarked for school supplies and backpacks for low-income families in the area at The Roxy in Acton on Saturday. 'Anchormen' Peter Markson (Thomas Hodgkinson, left) and Jeremy Hillhouse rehearsed their lines last week with meteorologist Jennifer Snowstorm (Emilie Doucette) in their comedy skit called *The Acton Nightly News*.

Class Acts for Backpacks set to entertain on Saturday

Links2Care is hosting a fundraising event called "Class Acts for Backpacks" in order to raise money for its Backpack Program.

This event will be held on Saturday, May 28 at 7 p.m. at the Roxy, 6 Mill St. E., Acton. The show will feature music, comedy and dance put together by local high school students.

There will be door prizes and food. Tickets are \$10 each and are available

at the Acton and Georgetown Links2Care offices as well as at The Roxy. Tickets will also be available at the door.

Last year was the inaugural for the Backpack Program and 170 backpacks were filled with school supplies to children from lower income families in this community. Money raised from Saturday's event will help Links2Care assist those children again this year.

Hear every word!

There are many options in hearing healthcare today. As a privately owned and operated clinic, we offer the same prices as the chains with several additional benefits:

- Hearing health care that is patient... you will not be rushed.
- Your concerns will be listened to so we can accurately decide on your specific needs.
- You will be greeted by name, treated with respect and remembered at your next appointment.
- Your appointment will be with the same person each time you come for care.
- Home visits and evening hours are available (by appointment).
- We go above and beyond to listen, follow up, and answer all your concerns to make sure you are well taken care of.
- Our pricing is straightforward so you know exactly what you are paying for, with options to suit every budget. The government grants and other contribution details will be thoroughly explained.

You will enjoy your time spent at Hearing Sciences. There is a difference. Choose your hearing healthcare wisely!

Significant changes in hearing instrument technology have occurred over the last 3 years. If you have not listened to the new digital technology recently, this is an opportunity not to be missed.
