EXP. AUG 2011

530 GUELPH ST. NORVAL (HWY 7 AT WINSTON CHURCHILL BLVD)

After checking out the action at the Robert C. Austin Public Works Yard, residents headed over to the Georgetown Market Place on April 30 for the Earth Day Fair. Passersby checked out a live bird exhibit and were entertained by Hiccup the Clown while learning about local environmental matters and initiatives. Happy Earth Day, Halton Hills!

RIGHT: Dale and Dave Cox plan for the future of our town by filling out a survey with Laurent Thibault. Visit www.haltonhills.ca/sustainability to fill out the survey.

BELOW: Conservation Halton staffers brought a couple of birds of prey to the mall, including a Red-tailed Hawk (below left) and a Great Horned Owl (below right).

LEFT: Claire (left) and Karen Allen invite the public to explore the Old Seed House Garden.

BELOW LEFT: Alison Qua-Enoo (left) and Sandy Camplin from Credit Valley Conservation show us the beauty in our own backyards.

BELOW RIGHT: Maureen Smith (left) and Carol Englert make plans to hike the Bruce Trail.
