

Kaitlyn Howie and Lauren Matsuo from the Green Team ask: "What would you like to do to better for our environment?" Stopping by to write their answer are Ted Arnott, Libra Remacka and Melissa Secord.

McKenzie-Smith Bennett Family Education Night

McKenzie-Smith Bennett students invited their friends and family to their school on May 19 for a Family Education Night. Families checked out student writing, displays and a book fair and participated in a variety of activities. The evening's main draw was the unveiling of the school's Stream of Dreams: a school of colourful fish decorated by each and every student as part of Credit Valley Conservation's Watershed Stewardship Program.
