

Center Stage Dancers perform in Harlem

Globetrotters half-time show
 Georgetown dancers had the exciting opportunity to perform with the famous Harlem Globetrotters during the half-time show at the Rogers Centre this spring. Ninety dancers from Center Stage School of the Arts presented their competitive team supergroup dance entitled "The Time" for an enthusiastic crowd at the dome. Co-owners/Artistic Directors Kelly Paddle and Claudia Caicedo said, "It was a chance of a lifetime and we are thrilled that these young dancers had this wonderful experience. They are going to remember this for a long time!"

Bulk Waste Collection 3 items maximum

Three items maximum per bulk waste collection.

Items must be too big to fit in a garbage bag/can.

One bundle of flooring or wood is equal to one item.

Check your 2011 Waste Management Guide & Collection Calendar to determine which day bulk waste is collected in your area.

- There is a three item limit per scheduled bulk collection day. Additional items will not be collected.
- If an item can fit into a garbage bag or can, it is not bulk waste. Put these items inside a garbage bag or can, and place out for pick up on your regular garbage collection day. Do not exceed the regular six bag/can garbage limit.
- Do not pile items on top of one another. Remove all nails and staples.

- Items collected for bulk are disposed of in the landfill. Consider giving items in good condition to a reuse centre. Visit www.halton.ca/waste for a list of reuse centres.
- Ensure only the items you want collected are at the curb. Personal items left at the curb may be mistakenly collected by the collection truck or scavenged by other residents.
- All flooring and wood must be bundled, and be no larger than 0.6 m x 1.2 m (2 ft x 4 ft).
