

# Social networking is the next topic for Technology Made Simple sessions

Join the staff at Halton Hills Public Library for its Technology Made Simple program. At the Georgetown branch, 224 Maple Ave., on Friday, June 3, 2-4 p.m., and Wednesday, June 8, 7-8 p.m., you'll learn all about Social Networking. Technology Made Simple is a free computer workshop series that meets monthly. Just drop in, no registration required. All skill levels and questions welcome. For some hands-on time with some of the library's devices, like laptops, eReaders and camcorders, drop in on any of the following dates: Friday, June 10, 2-4 p.m. at the Acton Branch and Friday, June 17, 2-4 p.m. at the Georgetown Branch. For more information, call 905-873-2681 or visit [www.hhpl.on.ca](http://www.hhpl.on.ca)

## Hear every word!

There are many options in hearing healthcare today. As a privately owned and operated clinic, we offer the same prices as the chains with several additional benefits:

You will enjoy your time spent at Hearing Sciences. There is a difference. Choose your hearing healthcare wisely!

- Hearing health care that is patient... you will not be rushed.
- Your concerns will be listened to so we can accurately decide on your specific needs.
- You will be greeted by name, treated with respect and remembered at your next appointment.
- Your appointment will be with the same person each time you come for care.
- Home visits and evening hours are available (by appointment).
- We go above and beyond to listen, follow up, and answer all your concerns to make sure you are well taken care of.
- Our pricing is straightforward so you know exactly what you are paying for, with options to suit every budget. The government grants and other contribution details will be thoroughly explained.

Significant changes in hearing instrument technology have occurred over the last 3 years. If you have not listened to the new digital technology recently, this is an opportunity not to be missed.

*Come in and try the actual hearing aids. This is the best technology available today. Listen and judge for yourself! Call for an appointment 905-877-0099*
