

NOTICE OF PUBLIC INFORMATION CENTRE #2

TOWN OF HALTON HILLS TRANSPORTATION MASTER PLAN STUDY MUNICIPAL CLASS ENVIRONMENTAL ASSESSMENT NOTICE OF PUBLIC INFORMATION CENTRE #2

The Town of Halton Hills, through their consultant Hatch Mott MacDonald, has initiated a Transportation Master Plan (TMP) Study. The Class Environmental Assessment (Class EA) Study will develop an integrated transportation plan and associated strategies that consider all modes of travel to meet several road network challenges up to 2031. The Study will identify future projects within the study area.

Throughout the study process, the Town of Halton Hills has been seeking input from the public through a variety of consultation activities, including stakeholder and interest group meetings held during the course of the study. One of the key communication tools used during the development of a TMP is the Public Information Centre (PIC). PIC's provide the community with the opportunity to provide their input at key stages in the study.

The first PIC was held on February 10, 2011 to present and discuss the Problems and Opportunities, as well as, the background and purpose of the study. The second PIC will be held as follows:

Date: Wednesday, June 22, 2011

Time: 6:00 p.m. – 9:00 p.m.

**Location: Acton Arena and Community Centre
415 Queen Street East
(Hwy. 7), Acton ON**

The purpose of the second PIC will be to present and seek input on the study progress including details of the preferred plan and the supporting transportation policies. The PIC will be an Open House format, with a brief presentation at 7:00 p.m., followed by the opportunity to ask questions of the project team on a one-on-one basis. We encourage those interested in the study to attend.

If you have any questions or comments, please contact:

Mr. Ted Drewlo, P. Eng.
Manager of Engineering Services
Town of Halton Hills
1 Halton Hills Drive
Halton Hills ON L7G 5G2
Tel.: 905-873-2601 ext. 2313
Fax: 905-873-3036
Email: tedd@haltonhills.ca

Mr. John McGill, P. Eng., PTOE
Project Manager
Hatch Mott MacDonald
2800 Speakman Drive
Mississauga ON L5K 2R7
Tel.: 905-403-4403
Fax: 905-855-2607

Additional information related to the study may be obtained on the Town of Halton Hills website: www.haltonhills.ca/tmp.

Comments and information regarding this project are collected in accordance with the Freedom of Information and Protection of Privacy Act and to assist the project team in

meeting the requirements of the Class EA process. With the exception of personal information, all comments will become part of the public record.

This Notice first issued on June 13, 2011. 82

NOTICE OF STUDY COMMENCEMENTS

TOWN OF HALTON HILLS CLASS ENVIRONMENTAL ASSESSMENT NOTICE OF STUDY COMMENCEMENT

THE REHABILITATION/ REPLACEMENT OF STRUCTURE #38 ON FOURTH LINE

The Town of Halton Hills has initiated a project to replace the southerly culvert crossing of Beany Creek, located on Fourth Line, approximately 0.7 km north of Highway No. 7 (Town of Halton Hills Structure #38). Options include extending and rehabilitating, or replacing the structure.

The project is being planned under Schedule 'B' of the Municipal Class Environmental Assessment for Road Projects in accordance, as outlined in the Municipal Engineers Association Municipal Class Environmental Assessment Document (2000, as amended in 2007). A Project File Report (PFR) will be prepared to document the planning, design and decision making process undertaken for this study. The PFR is available for viewing on the Town's website: <http://www.haltonhills.ca/CEA>.

For further information on this project, please contact John Kwast, Manager of Design & Construction, or Kasey Bartusevicius, Project Manager, at the addresses listed below. Initial public input and comments are invited for incorporation into the planning and design of this project, and will be received until Friday, July 15, 2011. A Public Information Centre will be scheduled during the course of this project. Subject to comments received and the receipt of necessary approvals, the Town of Halton Hills intends to proceed with the planning, design and construction of this project to be completed by late 2012.

Kasey Bartusevicius, P. Eng.
Project Manager

Acton encourages kindness

Everyone is encouraged to celebrate the kind of friendly community Acton is during Random Acts of Kindness Week set to run from Sunday (June 12) through Saturday (June 18).

The Week, is a partnership between Acton BIA and other groups in the community and culminates Saturday with a family picnic in Prospect Park as part of the Big Daddy Festival.

The event is an invitation for individuals, schools, community groups, service clubs, to join hearts and hands to celebrate the friendliness of Acton.

Simple ways to reap the silent rewards of selfless giving include:

- Leave a friendly and anonymous note or sweet treat on a co-worker's desk
- If you have something nice to say, say it

- At a drive-thru pay for the order of the car behind you
 - Volunteer for a non-profit organization
 - Smile at a stranger
 - Help someone cross the street
 - Rake a person's yard
 - Return a shopping cart
- The list is endless.

On Saturday, June 18 at 4 p.m. everyone is invited to come out to an old-fashioned picnic in Prospect Park. Each family is asked to bring their own picnic lunch (why not invite someone). There will be family games, face painting, food vendors, entertainment, first round of the Acton Idol Contest and a movie in the park for the entire family to enjoy.

For more information call the Acton BIA at 519-853-9555, email at actonbia@cogeco.net or visit www.downtownacton.ca

Congratulations

Matthew Cunningham
on receiving your Bachelor of Environmental Studies in Honours Planning (Urban Design Specialization) from the University of Waterloo, and for making it on the Dean's Honour List!

We wish you continued success in your career. We are so very proud of you! With love, Mom and Dad

Congratulations

Bailey Downton
on your degree from Western

*Love Dad, Noël, Emma, Holly & Casper
Good Luck on your future endeavours!*

Suffering from Depression, Grief, Anxiety?

Georgetown family counsellor wants to help.

3 weeks to a more joyous you!
