Did you know that on average, 3,340 Canadians are diagnosed with cancer every week? Further, an estimated 1,470 Canadians die of cancer each week. Your support is a big help in the battle against cancer— and your help goes directly to those most in need— friends, children, and loved ones alike, all within our own community! Based on 2009 incidence rates, 40 per cent of Canadian women and men will develop cancer during their lifetimes. Over the years, funds have been donated to the Canadian Cancer Society, CASHh, Cancer Assistance Services and Childhood Cancer Campaign.
