

Food for Life

Volunteers for Food for Life were out in full force recently as they canvassed commuters at the Georgetown GO Station to donate their 'lunch money' to their cause, collecting and providing good food for those in need. Volunteers and Food for Life board members included (from left) Alyson Kennedy, Hannah Kennedy, Annette Graydon, Laura Ridley and board members Brennan Carson and Colleen Sym. *Photo by Ted Brown*

Life is meant to be shared...

Hear every word!

There are many options in hearing healthcare today. As a privately owned and operated clinic, we offer the same prices as the chains with several additional benefits:

- Hearing health care that is patient... you will not be rushed.
- Your concerns will be listened to so we can accurately decide on your specific needs.
- You will be greeted by name, treated with respect and remembered at your next appointment.
- Your appointment will be with the same person each time you come for care.
- Home visits and evening hours are available (by appointment).
- We go above and beyond to listen, follow up, and answer all your concerns to make sure you are well taken care of.
- Our pricing is straightforward so you know exactly what you are paying for, with options to suit every budget. The government grants and other contribution details will be thoroughly explained.

You will enjoy your time spent at Hearing Sciences. There is a difference. Choose your hearing healthcare wisely!

Significant changes in hearing instrument technology have occurred over the last 3 years. If you have not listened to the new digital technology recently, this is an opportunity not to be missed.

Come in and try the actual hearing aids. This is the best technology available today. Listen and judge for yourself! Call for an appointment 905-877-0099
