

# Innerscapes to host two-day art show

The six members of Innerscapes are having a two-day art show on the weekend of June 18 and 19. The show will be held at the Georgetown Montessori School on the corner of James and Draper streets one block west of Main Street. It is the first show for the Innerscapes artists this year.

"Summer's Bouquet" is open from 8 a.m. to 4 p.m. Saturday, June 18 and from 9 a.m. till 4 p.m. on Sunday, June 19. Pick from a wonderfully diverse assortment of freshly created art work in a variety of styles and colours.

All the original works are created by local artists Beatrice Dumbreck, Herta Hajek, Tiziana Manierka, George Perdue, Eileen Simpson, and Jan Zimmerman.

### What is UltraShape?

The UltraShape procedure is the most widely used non-invasive solution for fat destruction and body sculpting. It uses Pulsed Focused Ultrasound to target and reduce unwanted localized fat deposits, reduce body circumference and improve body shape.

## Skin Tightening

Restore your skin to its youthful appearance.

Neck | Chest | Cheeks | Forehead | Etc.

- > short treatment | no downtime
- > works for many areas of the body
- > immediate benefits

\*Follow-up treatments to achieve your aesthetic goals

### Is Skin Tightening For Me?

It can correct skin laxity brought on by sun exposure, age, weight loss as well as additional factors which may make you appear older and more tired.

### How Does The Treatment Work?

By stimulating your own body's collagen renewal process, EndyMed 3Deep tightens and firms your skin. It does this with RF (radio frequency) technology that heats deep into the skin.

### Recovery?

Though you may experience some temporary redness of the treatment area following the procedure, you can resume your regular routine immediately and should expect no further side effects.
