## The fight against child poverty is given Center Stage.

Today, in Canada, 1 in 4 children lives at or below the poverty line.

On Sunday, June 12, 2011 Center Stage School of the Arts, family and friends, came together in the fight against child poverty in Canada. Through the efforts of the second annual Beyond The Stage Gala dance performance and silent auction \$12,500 was raised and donated to the Canadian charity START2FINISH. If you would like to join the fight please visit the following websites and get involved.
