Big DADDY returns Free events all weekend

Welcome to the second annual Big DADDY Festival to celebrate dads of all ages this weekend, Father's Day Weekend!

This year's Festival kicks off in Downtown Georgetown on Friday, June 17, and runs through to Sunday June 19—with events also taking place in Glen Williams, Willow Park Ecology Centre in Norval and Prospect Park in Acton.

The Big DADDY Festival is fast becoming a signature event in Halton Hills, bringing together an exciting array of cultural, sporting, and artistic events that give dads and their families an opportunity to discover and explore the amazing and diverse resources of our community, and a chance to spend time together, start new traditions and create lasting memories!

The Festival has something for everyone, with a sidewalk sale, live bands, including Jordan John and the Blues Angels, street buskers, and dancers on Friday evening in Downtown Georgetown, with the non-stop entertainment continuing through Saturday. Acton's Random Acts of Kindness week culminates with a family picnic at Prospect Park—enjoy face painting, yummy
