

Register now for Bill Laidlaw golf tourney

On Thursday, July 14 Norval United Church will be hosting the 8th Annual Bill Laidlaw Memorial Golf Tournament to raise funds for the youth in the church and in the community.

Bill Laidlaw was a leader in the Halton Hills community who had a passion for helping others.

The Golf Tournament tees off at Eagle Ridge Golf Club, starting with lunch at 11:30 a.m. sponsored by Maple Lodge Farms. Participants enjoy 18 holes of golf with a cart, prizes, lunch and dinner for \$140. There is also a silent auction with some amazing items to bid on including Dinner in the Country

for 10 and a Muskoka Gold Weekend.

Last year the tournament presented the local Halton Hills Canadian Tire Jumpstart Chapter with a cheque for \$1,000. Canadian Tire Jumpstart is a community-based charitable program that helps kids in financial need participate in organized sports and recreation. Since 2005, the Halton Hills CTJS Chapter has been committed to helping children and youth in our community get active.

For more information on how to participate and support the youth of Halton Hills, please contact Brad Fraser, 905-878-7070.

Skin Tightening

Restore your skin to its youthful appearance.
Neck | Chest | Cheeks | Forehead | Etc.

- > short treatment | no downtime
- > works for many areas of the body
- > immediate benefits

*Follow-up treatments to achieve your aesthetic goals

Is Skin Tightening For Me?

It can correct skin laxity brought on by sun exposure, age, weight loss as well as additional factors which may make you appear older and more tired.

How Does The Treatment Work?

By stimulating your own body's collagen renewal process, EndyMed 3Deep tightens and firms your skin. It does this with RF (radio frequency) technology that heats deep into the skin.

Recovery?

Though you may experience some temporary redness of the treatment area following the procedure, you can resume your regular routine immediately and should expect no further side effects.
