

Fire calls: Man trapped under tree in Acton

Jessica Tarka tops at CtK

A man was trapped underneath a tree that had fallen on him at a trailer park on Dublin Line during the storm Saturday about 9:30 p.m. Halton Hills firefighters, police and EMS responded to the incident.

The man suffered minor injuries and was taken by ambulance to Georgetown Hospital.

Firefighters were called to a Fifth

Line Limehouse residence last Wednesday at about noon because a tree was smoldering.

The cause was a hydro wire stuck resting on the tree. Fire crews stood by until Halton Hills Hydro staff arrived to fix the problem.

Halton Hills firefighters were called to a natural gas leak on Winston Churchill Blvd. about 7:50 a.m.

Friday. A tractor had struck the gas valve.

Fire crews shut off the valve stopping the leak. Union Gas responded.

Firefighters were called to a residence on Argyll Rd. about 11 a.m. Sunday for a vehicle fire. The vehicle was fully involved when crews arrived and extinguished the blaze.

Halton Catholic District School Board has announced Jessica Tarka at Christ the King School is a Governor General Bronze Medal recipient. The medal is awarded to the student graduating with the highest average from high school.

Tarka had a 93.93%— fifth of the eight Halton Catholic high schools. The highest average went to Matthew Krzysztof Buraczynski of Holy Trinity (97.13%). The average is calculated based on the final marks in all Grade 11 and Grade 12 courses, as listed on the student's official transcript.
