She's got a head for soccer!

Megan Rohde (left) has her head eclipsed by the ball as Abby Williams looks on in a match between England and Italy last week during the Georgetown Soccer Club's rep/select camp held at Cedarvale Park. A mini World Club tournament was staged for the 80-or-so participants who took part in the week-long camp. For more on the camp see today's special Scoreboard section inside.

Youths asked to speak up

By **LISA TALLYN**
Staff Writer

Attention area youths— the Town of Halton Hills wants to hear from you.

The Town is conducting a Youth Needs Study (YNS) to determine what types of facilities and services are most needed by 13-19-year-olds in Halton Hills.

The Town wants youths to share what they love and don't love about life in Halton Hills, and what needs to be done to make the community more youth-friendly.

To take part, youths are encouraged to visit the YNS Facebook page where each week the Town will be polling— asking questions like what's the primary reason you choose not to participate in recreational activities and where do you spend most of your free time? The poll results will help the Town determine what is most important to Halton Hills youths.
