

Focusing on "Business of the Month"

Every month, Chamber members and local residents have the opportunity to nominate a local business for the Chamber's Business of the Month award. The criteria for selection are: quality of service, unique products, and/or civic involvement which benefits the community.

By Cor Baarda

The recipients for this quarter are: **Hungry Hollow Smokehouse & Grille** (April), **Georgetown Denture Clinic** (May), **Odyssey Systems & Solutions** (June).

Michael Parsons opened up the **Hungry Hollow Smokehouse & Grille** on July 12, 2010 and it has been both rewarding and fun for Michael ever since. The food is southern U.S. in style and taste, tweaked by imagination and responsive to taste. Michael caters to his customers, who range over a large span of years, from teens to seniors. Happy, satisfied diners bring in more of the same, and that is Michael's focus – satisfying the taste buds and pocketbooks of his customers. He's here because he loves his town – and his restaurant celebrates that!

Congratulations Michael!

Alex Trenton, Denturist and a lover of Georgetown, has owned and operated **Georgetown Denture Clinic** for the past 29 years. His clinic, with its' state-of-the-art dental lab, offers new custom-cosmetic full and partial dentures, including specialty implant post-retained

dentures as well as relines, repairs, and denture adjustments – and all done on the premises by Alex himself. Alex does great work – so good in fact – that former patients who have moved elsewhere will come from far away – even England! – to have Alex take care of their problem.

Congratulations on a award well-earned!
