Hot ideas at Landscape Creations

Landscape Creations, located at 46 Armstrong Avenue, has a new line of outdoor fireplaces and kitchens for all your landscaping needs. While the fireplace is now on display, an outdoor kitchen and entertaining area will soon be set up to give customers an idea of how it would look in their own back yard. On hand to show off the fireplace are (from left) Brendon Pearce, Caitlin Hurrelbrinck, owner Bryon Robinson and Mike Rideout.
