

Bucks for Camp BUCKO

Following a successful 'Stitches and Chains' show and sale of knitted articles at Halton Hills Cultural Centre, members of Halton Hands in Motion knitting group donated \$1,200 to Camp BUCKO (BUrn Camp for Kids in Ontario) located near Minden, Ontario. Announcement

George, Mark and Keith Poullos as well as Thomas are sad to announce that Outdoor Power Equipment, 61 Guelph St. in Georgetown will be closing its doors for the last time August 30 2011 after 25 years of serving the Georgetown and surrounding community. The store will be open for counter sales only during the month of August while we sell off our remaining inventory at exceptional savings. At this time, we, being forced to relocate have weighed our options and find no alternative but to close our business. Since opening in 1986 we have grown many acquaintances into friendships and wish to thank all our past customers for their patronage.
