Acton Seniors are active on laptop computers

 become a member during September, the membership fee is pro-rated for the remainder of 2011 plus the following year.

The movie this Tuesday (August 9) will be *South Pacific*, a Rodgers and Hammerstein classic.

The Friday pizza lunch was a great success. I am sure they will have another in the Fall.

There is a signup sheet for anyone interested in improving their computer skills. The columns ask if you are interested in Internet use, setting up an email account or learning more about Microsoft Office, Word, Excel, etc. and classes will start in September. We hope to cover both beginners and members who would like to expand their knowledge.

It's great to see the laptop computers are getting used on a regular basis. The procedure is simple; just check in at the Front Desk and the receptionist will assist you. Not a member of the Centre? This is another great reason to become a member.

Going to the cottage or just enjoying sitting in the garden? We have a selection of paperbacks you are welcome to borrow, plus videos. I know my grandchildren love to watch some of the old movies when visiting me.

The July trip to Rama was a lot of fun as usual, and Renate Dzieciol won the 50/50 draw. Birthday prize winners were Rita Court and Rose Morrison, and seated in the lucky seats were Grant Greenaway, Merle Carr, Kathy Bowman, Shelby Doucette and Ethel McEachern. Please note the next two Rama trips will be one week earlier than usual: Aug. 24 and Sept. 21.
