Generations launches Get Active Challenge

Generations Physiotherapy Centre has recently launched a campaign for the summer entitled 'Get Active Challenge 2011'.

Staff believe that staying active is an integral part of staying healthy and are encouraging everyone to get active and stay active.

Because we all need a little push at times, Generations is holding a contest encouraging everyone to get their families active and share their story of how they did so via a letter or video.

The Challenge/Contest is free and open to everyone, but stories must be submitted to Generations Physiotherapy Centre on or before September 1.

The winner will be chosen based on the best story and/or most original way in which the family is getting active.

Simply drop off your story to Generations Physiotherapy Centre, 371 Mountainview Rd. S., Unit 7, in south Georgetown and, if possible, bring a non-perishable food item that will go to the Georgetown Bread Basket food bank.

The prize list includes passes for yoga, fitness/wellness assessment, massage therapy, gift cards for a free golf lesson, dance class, boot camp, sporting equipment and more. For more information call 905-702-0888.
