

Links2Care runs its annual Backpack program Donations of supplies and cash still needed

Links2Care is currently accepting donations for its annual Backpack Program.

The Backpack Program provides new backpacks filled with school supplies to students from lower income families in Halton Hills. Last year Links2Care provided 170 backpacks to students whose families really needed and appreciated this support.

Back to school necessities can be very expensive. This program helps to relieve some of the financial pressures that lower income families face.

Family applications to receive the backpacks closed in July.

The program is funded by the generosity of sponsors and through individual donations and is organized by volunteers. To help support this program, Links2Care is accepting donations of the following items: backpacks, markers, crayons, calculators, math sets, binders, glue sticks, duo tangs, lined paper and rulers.

Financial donations are also very much appreciated. All donations can be dropped off at the Links2Care offices in Acton, 47 Mill Street East, (please use the

John Street entrance) or Georgetown, 36 Armstrong Ave.

For more information about the Backpack Program please call Cathy at 519-853-3310 ext. 223.
