

Local teen vies for Miss Teen Canada title

Selena Hoyer, 14, of Georgetown is now in Toronto for the Miss Teen Canada competition. Selena is going after the title Miss Teen Canada.

The final night is on Saturday, August 20. Local residents can watch the finals on U Stream on the Internet at 8 p.m.

There is a People Choice Award that you could help her win by voting on the Internet at mcgpvoting.com. Voting ends at 9 a.m. on Saturday.

SELENA HOYER

travelled to Toronto for the Regional Assignment where she was crowned Miss Teen Halton Region. It was a lot of hard work and so much fun, she said.

Starting at Georgetown High School in September, Selena loves to write and eventually plans to seek a journalism degree.

Her hobbies includes dirt biking, volleyball, camping, and is teaching herself to play the piano and loves to sing and dance.

Selena also believes in the importance of volunteering.

Police body armour stolen from officer's vehicle

Police body armour was stolen sometime late Thursday or early Friday from an SUV parked at a Cherry St., Georgetown home. The protective vest, valued at about \$700, was stored in the rear hatch of the vehicle. The off-duty police officer had brought it home to be laundered. There was no sign of forced entry into the vehicle.

A tire on a Ford pickup truck parked at a Dairy Dr., Acton residence was punctured sometime late Sunday or early Monday. Damage is \$130.

Halton Hills firefighters were called out about 6:30 p.m. Sunday for an

Police/Fire Blotter

odor investigation at the Canadian Tire Store in Georgetown. Firefighters checked the area, but couldn't find anything. At about 9 p.m., they were called out again to investigate the source of a pungent odor in the area of the Home Hardware, also on Guelph Street. This time fire crews were able to determine that the smell was coming from a pond at nearby Saputo Inc. The heavy rain is believed to have stirred up the contents of the pond.

THE NEWEST INNOVATION IN HEALTH

Technology originally developed by the Russian space program and adopted by NASA

T-Zone Whole-body Vibration Studio in Georgetown opened their doors in January 2011. Since then numerous members have jiggled away hundreds of inches, increased their energy levels, reduced their aches and pains, and some are even avoiding knee surgery.

Come and experience a fun,

and learn more about whole body vibration.

T-ZONE VIBRATION TECHNOLOGY

Here are a few testimonials from their members.

I'm 69 years young. I lost 26" in the first 2 months. I no longer have pain in my knee and do not have to wear my knee brace anymore. I can do the plank on the machine for 2 1/2 minutes...I dare you to try! **Joyce**

I come because it makes me feel better both physically and emotionally. Extra bonus, I lost 11" in first month! **Lisa**

After the first month I lost 11". After two months my triglycerides and cholesterol levels have dropped by over 50% with no change to my diet. **Geoff**

After two short weeks my neck and shoulders no longer hurt from my fibromyalgia. I also do not wake up in the morning any more with a stiff lower back. I feel stronger and re-energized, and it just keeps getting better! **Esme**
