

Out & About

ABOVE: In Time Flies by David Ives, two mayflies (played by William Kutarna and Rebecca Reid) wrap up their first date by watching a nature program by famous naturalist Sir David Attenborough (Alex Kanarek) and learn shocking truths about their lives. The one-act play is just one of the three being staged for Georgetown Little Theatre's The Studio Shows. Performances take place September 8, 9 and 10 at 8 p.m. at the GLT Studio (33 Stewarttown Road). Tickets are \$10 and can be purchased by calling 905-877-3422.
