For a full list of HWMS fees, visit www.halton.ca/waste or contact Halton Region.

Waste-free Lunches

Pack a lunch that leaves no waste

A waste-free lunch will make it easy to reduce our waste and reuse food packaging and containers. There would be a lot less garbage going to the landfill if every student, teacher and parent packed a waste-free lunch. Imagine the positive impact we can have on the environment by reducing our waste!

Use these items to pack a waste-free lunch:

Reusable lunch bag

Reusable containers

Thermos

Reusable cutlery

Cloth napkin

The following items go in the garbage; they are not part of a waste-free lunch:

Plastic "lunchable" containers and snack packs

Single-serve yogurt, apple sauce and pudding containers

Plastic baggies

Drinking pouches

Plastic cutlery

Remember to Drive SAFE this fall

As a new year of school begins, Halton Region would like to remind everyone to share the road while traveling throughout Halton. The roads and neighbourhoods will be busier with children walking, bicycling, or taking the bus to and from school. Be safe, be aware and be courteous. Leave enough room on your right to pass cyclists safely and watch for pedestrians crossing the road.

We would also like to remind all motorists to be aware of the speed limit, particularly in school zones, and to stop when approaching a school bus with its upper red lights flashing. For more about road safety in Halton, dial 311 or visit www.halton.ca/transportation.
