transportation tomorrow SURVEY 2011

Beginning the first week of September, randomly selected households in Halton will be contacted by letter and telephone and asked to participate in the **2011 Transportation Tomorrow Survey**.

For the past 25 years, the **Transportation Tomorrow Survey** has been undertaken every five years, surveying residents in municipalities across southern Ontario about their travel choices and patterns. The information gathered from the survey plays a vital role in assisting municipalities to plan for future transportation services.

If your household is contacted, please take the time to participate in the survey over the telephone or online at www.tts2011.ca. Your involvement is critical in assisting Halton Region to plan and keep pace with changing transportation needs.

For more information about the survey visit our website at www.halton.ca/transportationtomorrow.

Please let us know as soon as possible if you will have an accessibility or accommodation need at a Halton Region hosted event or meeting.
