

Terra Cotta artists hold fundraising show

Terra Cotta artists invite you to the de Jong studio/gallery, 15 Isabella St. in Terra Cotta for an artists-in-the-community exhibit and fundraiser. Fibre artist Verna Jespersen debuts her work (right photo), alongside Bev de Jong, mixed media, Susan Wakefield, art jewelry, Joseph Panacci, wood-fired porcelain, plus a col-

lection of unique antiques, hand-knotted rug collection, Tibetan crafts and Thai silks. A meet the artists reception will be held 6-10 p.m. on Friday, Sept. 23, with the exhibit continuing Sept. 24 and 25, 12-6 p.m. This is also a fundraiser for the Terra Cotta Community Centre with 10 per cent of all sales this weekend to be donated to the Centre. For details call 905-877-4993.

Are you using **acceptable GreenCart liners?**

If you choose to line your GreenCart with a bag, please ensure you are using and purchasing acceptable GreenCart liners. Not all liners sold are accepted for use in Halton's GreenCart program. Halton Region does not accept plastic products or plastic liners in the GreenCart.

If purchasing liners, ensure you only select certified compostable liners with the Biodegradable Products Institute (BPI) logo on the box, as shown to the right. These bags are made from plant-based materials so they compost easily.

- Other acceptable liners include:**
- Paper towels
 - Paper bags
 - Newspaper/flyers
 - Paper food waste bags
 - Cardboard

For a list of GreenCart acceptable liners and where they can be purchased, visit www.halton.ca/waste.

Use Blue Boxes

To ensure your recycling is collected, please use Blue Boxes only.

Materials in plastic bags, cardboard boxes, grocery bins, laundry baskets, milk crates, or garbage/recycling cans (with or without wheels) will not be collected.

Households may place out an unlimited number of Blue Boxes containing acceptable recyclable materials. Remember, a collector has to physically lift and empty your Blue Box into the collection truck – if it is heavier than 23 kg (50 lbs), or an awkwardly shaped bin – they may not be able to take your recycling. Plastic bags are not recyclable and create additional waste.

Need a Blue Box?

Each year, new residents and new homeowners may pick-up two Blue Boxes free of charge; current residents may pick-up one Blue Box free of charge.

Additional Blue Boxes can be picked up at the following locations:

Halton Waste Management Site (Scalehouse)

5400 Regional Road 25, Milton
Open Monday to Monday to Saturday, 8 a.m. to 4:30 p.m.

Additional Blue Boxes are \$5 (3 maximum)

Closing Down the Pool?

Are you closing down your pool for the season? Please remember unused pool chemicals do not go in the Blue Box or GreenCart, and are not collected as Garbage or Bulk Waste.

Bring your unused pool chemicals to the Household Hazardous Waste Depot at the Halton Waste Management Site. Maximum 20 litres per visit. No commercial loads can be accepted. For a list of acceptable materials and for additional information please visit www.halton.ca/waste.
