

Three vehicles collide

No one appeared to be seriously hurt in a three-vehicle accident that occurred at approximately 4 p.m. at Mountainview Rd. S. at Argyll Rd. One elderly woman was reportedly experiencing pains in her chest and stomach and a male suffered cuts to his arm. Halton Police and Emergency Medical Services personnel attended the scene. Police could provide no further information at press time.

Norval residents to have say on proposed quarry

Norval residents will get a chance to have their say on a proposed shale quarry planned on the edge of the hamlet at a public meeting next Monday.

Brampton Brick requires a zoning amendment to allow shale quarry on a 34.9 hectare (97-acre) property on Old Pinecrest Rd. and Winston Churchill Blvd.

The meeting, hosted by the City of Brampton, will be held Oct. 17, at

the Peel Regional Police Association Meeting Hall, 10675 Mississauga Rd. Brampton (two kilometres north of Hwy 7).

An open house will be held 6-7 p.m. with a staff presentation at 7 p.m., followed by public input.

The findings a Brampton-initiated peer review of the Brampton Brick's technical submissions will be presented. As well, City of Brampton consul-

tants, focusing on the social impact of the proposal, will be in the audience to listen to affected residents and businesses.

Town of Halton Hills planning staff will also be attending this meeting.

Brampton Brick has been appealed this project to the Ontario Municipal Board.

Earlier this year, more than 1,220 people sign letters of objection submit-

ted to the Ministry of Natural Resources. The campaign was organized by the newly-formed community group, Norval Pit-Stop (info@pit-stop.ca).

For more information go to <http://www.brampton.ca/en/Business/planning-development/projects-studies/Pages/Norval-Quarry-Re-Zoning.aspx> or call Natasha D'Souza, Policy Planner, City of Brampton, 905-874-3681, natasha.d'souza@brampton.ca

EMPLOYMENT OPPORTUNITY

SENIOR INSPECTOR Posting No. 201132

Reporting to the Supervisor of Inspections, this position is responsible to perform field inspections of large and complex buildings to ensure compliance with Building Code Act, Ontario Building Code and relevant standards and policies.

Major Responsibilities:

- Perform mandatory building and building mechanical services inspections for large and complex buildings e.g. assembly, institutional, commercial, residential and industrial buildings under the OBC, Parts 3, 4, 5, 6, 7, 8, 10 and 11 to ensure compliance with building permit documentation and the Building Code requirements.
- Investigate buildings that have commenced construction or been constructed without permits and issue respective orders.
- Inspect unsafe buildings and issue respective orders.
- Answer public and consultant questions and review professionals' reports.
- Interact with builders, architects, consulting engineers and other designers, homeowners and internal and external agencies.
- Assist and consult with builders to resolve observed situations on site.
- Provide general technical guidance to other inspectors, as needed.
- Enforce other by-laws (e.g. 2-unit houses).
- Perform the duties of the Supervisor in his/her absence.
- Perform all other job related duties as directed.

Key Qualifications:

- Must pass all provincial qualification examinations and be registered with the Ministry of Municipal Affairs and Housing in the following categories: Legal Processes, Small Buildings, Large Buildings, Complex Buildings, Building Structural, Building Services, Plumbing - All Buildings, On-site Sewage Systems, and Detection, Lighting & Power.

- Three years college diploma in civil or mechanical engineering at the technologist level.
- Member in good standing of AATO and/or OCETT, or OAA and/or PEO.
- Qualification as a Certified Building Code Official (C.B.C.O).
- Over nine years of experience in municipal building code enforcement as well as construction site experience.
- In-depth theoretical and practical knowledge of the Ontario Building Code Act and architectural, structural, building mechanical (e.g. HVAC, Plumbing, Fire protection systems, etc.) and electrical requirements of the Ontario Building Code.
- In-depth knowledge of all applicable standards e.g. CSA, NFPA, ULC, etc.
- Good judgment, effective teamwork and excellent communication and decision-making skills.
- Must be computer literate in MS Outlook, Word and Excel and proficient in AMANDA.
- Valid driver's license and use of a vehicle to perform the duties of the job.

Salary Range:
\$ 65,319 - \$ 77,761 per annum.

Qualified candidates may submit a detailed resume in confidence to the undersigned by **4:30 p.m., Friday, October 21, 2011**. Please quote **Posting No. 201132** on your resume.
