

# More than 60 groups on hand for Community Open House

The Halton Hills Cooperative Program Planning Committee will be hosting a Community Open House on Saturday, (Oct. 15), at the Georgetown Market Place, from 10 a.m. to 4 p.m.

Over 60 organizations serving the community will be on hand to showcase their services, and share opportunities and information on how to get more involved or benefit from their services.

Volunteer, try a new sport, enjoy the arts and learn about

the many services available to you.

The theme for the event this year is *Passion, Action, Impact - Find your Passion, Take Action and Make a Lasting Impact*.

To help you find your passion, staff from the Employment Resource Centre in Acton will be on hand throughout the day in Centre Court providing free information on job searching and quick advice on fine tuning your resume.

Mayor Rick Bonnette en-

courages all citizens to consider attending as "this event provides a tremendous opportunity for all members of the community to learn about the many non-profit organizations, sport and recreation groups, social service agencies, and service groups that have so much to offer Halton Hills."

Among the participating groups will be North Halton Kitten Rescue; Friends of The Old Seed House Garden; 676 Lorne Scots Army Cadets;

Acton Women's Ball Hockey League; Gem Health Care Services/Nordix Poles Canada; Halton Hawks; Cruiser Sports for the Physically Disabled; Halton Hills Tennis Club; TOPS(Take Off Pounds Sensibly); St. John's Ambulance; Halton Hills Concert Band.

## NOTICE OF COMPLETION

### Transportation Master Plan to 2031 - The Road to Change PR-2414

#### Background

Halton Region has completed a Transportation Master Plan – The Road to Change to develop a sustainable and integrated transportation plan that considers all modes of travel (automobiles, transit, cycling and walking) to the year 2031. The Transportation Master Plan was conducted in accordance with the master planning process following the requirements of Phases 1 and 2 of the Municipal Class Environmental Assessment process (October 2000, as amended 2007) which is an approved process under the Ontario Environmental Assessment Act.

#### The Process

The Transportation Master Plan provides the Region with the strategies and tools needed to manage traffic safely, effectively, and cost efficiently. This plan offers a range of transportation choices to meet the needs of Halton residents through Active Transportation, Transportation Demand Management and infrastructure related improvements. A key outcome of the study is a list of transportation projects that the Region can incorporate into its 20-year Roads Capital Program.

The Transportation Master Plan incorporates public, local municipal and agency comments received during the course of the study. While the Transportation Master Plan addresses need and justification at the broad level, more detailed studies for Schedule C projects included in the Transportation Master Plan will be completed in subsequent studies as per the Municipal Class Environmental Assessment process.

We would like to take the opportunity to thank those members of the Halton community who participated in the Transportation Master Plan project. Your time and input was appreciated. Copies of the Transportation Master Plan document are available for your information at the following locations and on the Region web site [www.halton.ca/http](http://www.halton.ca/http)

## Halton Region's 2011/2012 seasonal influenza (flu) immunization clinics are starting.

Did you know that the best way to prevent getting influenza is to get your annual flu shot?

Halton's seasonal flu clinics start this month at seniors' centre locations and community clinics will begin on November 1. Flu immunization is free and recommended for all those six months of age and older. Influenza is a highly contagious virus that infects millions of Canadians every year. Protect yourself and those around you. Please get your flu shot.

Visit [www.halton.ca/flu](http://www.halton.ca/flu) or dial 311 to learn more about influenza and clinic dates and locations.
