

Focusing on "Business of the Month"

Every month, Chamber members and local residents have the opportunity to nominate a local business for the Chamber's Business of the Month award. The criteria for selection are: quality of service, unique products, and/or civic involvement which benefits the community.

The recipients for this quarter are:
DEKER Electric (July), **AD Webdesign** (August), **Odyssey Arnie's Collision Centre** (September).
Congratulations to all of you!

four technicians and they are part of the Electrical Safety Authority's Approved Contractor Program. Sales and installation of products such as hot tubs, generators, central vac systems and fire extinguishers, as well as insurance claims and clean up are just a sample of what they can do for you. Air Miles program, 24-hour service and warehouse-on-wheels as well as their belief that no job is too small makes them a vital business in our community. DEKER Electric supports Light Up The Hills, the Relay for Life and the Georgetown Raiders, just to name a few.

Chamber member since 1997

Arnie Lefebvre started up Arnie's Collision Centre in 1979, building the shop and then the office in Norval, where

the business is still situated today. Arnie enjoys what he does and it shows. He likes satisfying his customers' needs. This means that his customers come back. Even though body repair work is associated with trouble that customers didn't want, they know they're in good hands at Arnie's. Arnie is top-notch at estimating the cost of the work to be done, ensuring both the insurance company and the customer get what they want – first rate service at a fair price.
Congratulations on a well-earned award, Arnie!
