

Georgetown Bach Chorale jazzes up its first show of the season

On Saturday, Oct. 29, the Georgetown Bach Chorale will present their first event of the season. This is the third annual jazz night paired with a multi-course gourmet dinner.

Due to the past success of this culinary extravaganza and musical soiree, the Chorale has moved this popular event from the intimacy of 157 Main Street to an equally warm and inviting setting at St. George's Anglican Church, 60 Guelph Street.

All food for the evening will be prepared by Yvonne Oldaker, who helps make Bach Chorale events so memorable with the magic of her hands in the kitchen.

Singers will complement the evening with suitable numbers such as *My Funny Valentine*, *Satin Doll*, *Hit that Jive Jack*, *Some Enchanted Evening*,

and *Music of the Night*, to name but a few.

Vocal solos, duets, and quartets will be accompanied by a jazz combo featuring the extremely talented Aaron Carter on stand up bass, the very gifted Evan Flynn on drums, and of course Artistic Director Ron Greidanus on jazz piano.

It's not every day that one can dine locally and be entertained by such talent; it's like having a Montreal Bistro in downtown Georgetown. For \$75 come and enjoy this marvelous evening of food and song.

Tickets — *in advance only*— are available at Foodstuffs, 89 Main Street South, 905 877-6569, Pat's Prime Cuts & Deli, 333 Mountainview Road South #10, 905 873-0352, or on their website www.georgetownbachchorale.com.

GEORGETOWN FITNESS BOOT CAMP

3Rs of Plastic Bags

Reduce & Reuse

Bring Your Own Bag

Imagine the positive impact if everyone used reusable bags and avoided plastic bags altogether!

Reduce your waste – use reusable shopping bags or bins when visiting the grocery store or mall.

Recycle

Take It Back! Halton

Take plastic shopping bags back to local retailers to be recycled. Look for a bin at the front of the store, or ask at the customer service desk.

Take It Back! Halton partners easily recycle plastic shopping bags into more bags or into plastic lumber because the bags don't have to be sorted and are not contaminated from other materials.

The following stores demonstrate their commitment to the environment by providing residents with the opportunity to recycle plastic bags:

Burlington

Food Basics, 5353 Lakeshore Road
Food Basics, 1505 Guelph Line

The Bay, Oakville Place, 240 Leighland Avenue
Walmart, 234 Hays Boulevard
Whole Foods Market, 301 Cornwall Road
Zellers, Hopedale Plaza, 1455 Rebecca Street

No plastic bags in the Blue Box

Don't put plastic shopping bags in the Blue Box. Plastic bags get caught in the sorting facility's machinery and conveyor belts, or they get stuck to glass leading to contamination.

Don't put Blue Box material in clear or blue plastic bags because it only creates additional waste (the bag is ripped open and the bag goes to landfill). Only put recyclable materials at the curb in a Blue Box.

Recyclable materials in plastic bags will not be collected. Visit www.halton.ca/waste for a list of locations where you can get additional Blue Boxes.
