The night of the draw with Barry Edington, President of the Georgetown Rotary Club, winner Shawn Campbell, Tom Bentley of the Georgetown Rotary Club and Carman Widdess General Manager of Georgetown Chrysler Jeep Fiat Ltd.

It's Better to Play Together!

It is essential that children with special needs play with other children to build confidence in themselves and teach those with no special needs to respect them and treat them as equals. There is no playground equipment in Georgetown for this to happen. This project will add specially designed equipment to the existing Dominion Gardens playground specifically to promote play and interaction among all children. Construction is expected to commence in early Spring 2012, completion by Victoria Day weekend 2012. Official opening and donor recognition scheduled for end of May 2012.

To raise funds, tickets for the Fiat 500 draw were sold through the Rotary Club locally at many events including the Farmers Market, Canadian Tire and Georgetown Chrysler.

The lucky ticket was pulled out at the Rotary Gala Dinner at The Club at North Halton on the night of Saturday October 15th 2011.
