

John McMurray, Brayden Reed and Tina Hannahson check out the chickens and turkeys.

# Acton Farmers' Market Harvest Festival

The Acton Farmers' Market celebrated the end of another successful season with the annual Harvest Festival on October 6. While shoppers browsed the stalls for fresh produce, baked goods, art and more, their kids bobbed for apples, decorated pumpkins and entered a colouring contest. Shoppers were also treated to fresh, hot corn on the cob dipped in butter, salt and pepper. See you next year at the Acton Farmers' Market!
