

Scout Food Drive hoping to net 50,000 lbs.

The 21st Scouts/Guide Food Drive for Georgetown Bread Basket is set for Saturday (Nov. 5) and this year's goal is 50,000 lbs. of food.

Scouts and guides will be out in local neighbourhoods collecting donations for the food bank. Last year's drive brought in more than 45,000 lbs. of food for Georgetown Bread Basket.

Area residents are asked to have their donated food in a bag (provided in last Tuesday's *Independent & Free Press*)

outside of the front door by 9 a.m. for pick-up.

Items most needed include large cans of juice, canned meat, canned pasta and stews, healthy snacks for kids such as apple-sauce, powdered milk, coffee and sugar.

Maryse Mallet-Sinnis, media co-ordinator for the Bread Basket, said they also have clients with special needs requiring such things as diabetic and gluten-free

products, so donations of those items are also needed. There is also a need for low-salt items and Ensure.

Volunteers (over the age of 12) are needed to help sort the food at Alliance Church, 290 Main St., S. between 10 a.m. and 5 p.m. Anyone interested is asked to show up at the church. Lunch will be provided.

For more information check out georgetownbreadbasket.ca or call 905-873-3368.

Church St. home entered

Halton Police are investigating a break and enter into a Church St. residence that occurred sometime late Wednesday or early Thursday. Items were moved around, but nothing was taken.

A pumpkin was thrown at the windshield of a vehicle parked at an Arbor Glen Dr. home sometime late Saturday or early Sunday. The windshield was smashed. Damage is \$500.

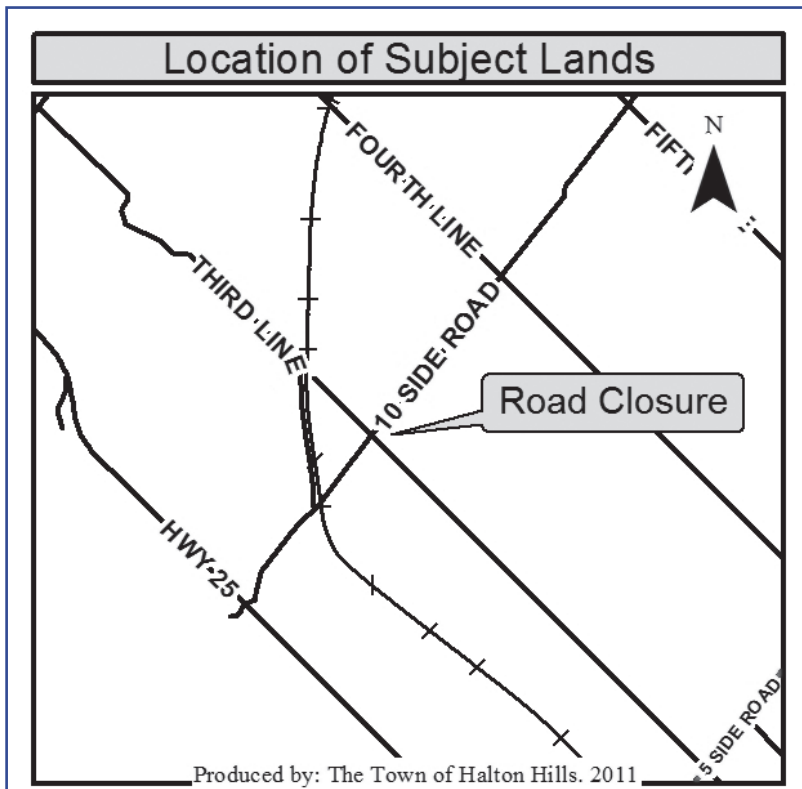

Police report entries into two vehicles in the past week. Nothing was taken from a vehicle on Sargent Rd. however it was ransacked. A Garmin GPS and sunglasses were taken from a vehicle on Chelton St. sometime Sunday or Monday.

ROAD CLOSURE

Third Line immediately south of 10 Side Road will be temporarily closed.

Specific notices and instructions will be provided to affected properties. The temporary road closure is required to facilitate the construction of the new Halton Region feeder watermain and Zone 5 Reservoir.
