

# 2011 BUSINESS HONOUR ROLL

Please take the time to look through our 2011 Business Honour Roll to see the local businesses that have been keeping our community strong through the years.

The time is now to buy local and support the business people who donate to our local charities, give prizes for your fundraisers and also offer competitive rates to encourage us to save our time and money by keeping dollars local. It is more important than ever to look close to home for the things we need during the Holidays and throughout the year.

Celebrating our community together through Special Features like this one.

Thank you for your continued support!
