What to serve unexpected guests

Unexpected guests—you don't ever have unexpected guests do you? It takes a really smooth host and/or hostess to make unexpected guests feel welcome and full!

Next to the summer season where people with cottages and pools have a vast assortment of unexpected company, the next most likely season for it to happen to you is over the holidays.

Here are a few suggestions of things to stock your pantry with

Lori Gysel & Gerry Kentner

and a few ideas for things to feed them if they happen to show up before you do the shopping!

To Keep on Hand:

- beverages (alcoholic, non-

alcoholic, hot and cold)

- paper napkins and plates (who cares if there's no time to bring out the fine china!)
- candles (even a messy house looks nicer with a few candles lit)

- toilet paper (bad thing to run out of!)

- a new movie, game or deck of cards to entertain kids

Food Ideas:

- cheddar cheese and apple or pear slices
- ham, cheese and pickles
- thin sliced roast beef with horseradish and little buns
- smoked salmon, slivered onion, capers, bread and cream cheese
- fresh fruit with cottage cheese
- chevre topped with sundried tomatoes in oil and crackers
- hard boiled eggs, apples and herring
- olives, marinated mushrooms and cheese
- corned beef or pastrami with mustard and little buns
- shrimp (thaw them quickly in a sink of cold water!)
- kolbassa sausage and mustard
- cold sliced roast pork with applesauce
- feta cheese with rosemary (dried is okay) and olive oil
- microwave popcorn with different flavours of toppings for the kids

Most of all, just have a great time! Have fun and keep cooking!

Bakeapple Tarts

Makes 24 tarts

Ingredients

- 24 frozen tart shells
- 2 cups fresh bakeapples
- 1/3 cup sugar
- 1/2 cup butter
- 1 cup flour
- 1 1/2 cups rolled oats
- 1 tsp baking soda
- 1 cup brown sugar

Method

1. Lay frozen tart shells out on a baking sheet.
2. Mix bakeapples with sugar. Spoon bakeapple mixture

into tart shells.

3. Mix remaining ingredients and divide evenly over bakeapples in tart shells.

4. Bake in a preheated 375F oven for 20-25 minutes.

Cook's note:

1. 375F is the perfect temperature for any pie pastry.
2. Bakeapples are only grown in Newfoundland, to my knowledge. I carried some home with me, preserved in water to make these when I returned home. Any fruit could be substituted though.
