Join us this Weekend for our Homeowner Tour Event!

What better way to find out if a Remington Home is right for you than by talking to current homeowners living in Remington's beautiful River Rock Ridge community. This weekend, a number of homeowners will be opening their doors to the public and letting you see first hand some of the great floorplans offered at River Rock Ridge. This event provides the rare opportunity to let you buy the new home of your dreams after having seen it in person. Get rid of your potential move-in jitters and get the reassurance you need by seeing the homes for yourself. The event takes place Saturday and Sunday from 1 – 4. Visit the sales office for details of the homes on the tour then head out to enjoy the event at your own pace.

With new and innovative designs, Remington is offering functional, open –concept plans that allow for contemporary, comfortable living. With months spent on planning and design, the Remington team has designed homes that put use-

ability and lifestyle first after all; you shouldn't have to compromise on one of the most important decisions of your life.

The first release of new lots is now selling and features 36' 40' and 43' designs complete with features such as oak stairs, gas fireplaces, extended height upper cabinets in the kitchen, choice of paint colour and much more. Known for excellence in design, craftsmanship and service, Remington Homes, has been building Family friendly communities in the Greater Toronto area for more than two decades. Each Remington home benefits from superior architectural, engineering, and construction expertise to ensure your new home is every bit the dream you want it to be.

The cost of happiness starts in the high \$400's. Visit the River Rock sales office this weekend for details on Remington's exciting plans and lot availability.
