

*Sign of the times:  
Georgetown Chevrolet  
Buick GMC  
reaches new heights*

Georgetown Chevrolet Buick GMC is reaching new heights these days with the installation of their long-awaited signage proclaiming the exclusive distribution of these General Motors products in the Georgetown area.

General manager Glen MacDonald (pictured) was beaming as he related how exciting it was to be part of the resurgence of the GM product line and particular the growth of their business driven by the introduction of many new and innovative products such as the award-winning Cruze, Orlando and Sonic from Chevrolet, the all-new Regal and eagerly anticipated Verano from Buick and class leading trucks from GMC.

All this, coupled with the just announced Connect and Win holiday season program, which gives anyone a chance to win up to \$10,000 towards their vehicle purchase, and even the possibility of winning a brand new 2012 Chevrolet Equinox or GMC Terrain, means that new sign will help direct Georgetown and area customers to a fine automobile purchasing experience for many years to come.
