## "For Goodness Sake"

**By: Cancer Assistance Services of Halton Hills (CAShh)**

For 12 years, CAShh has been helping people find their way through the difficult times when cancer strikes. Cancer creates challenging times for those needing special consideration. The "For Goodness Sake" program is designed to help ease the pressure of what cancer does to families.

For the past 3 years CAShh has added this program that goes beyond our mission to care. Clients in need are assessed for individual gifts that make a difference while they are battling cancer. Like the dad who was provided with an ipad to communicate electronically with his family after cancer robbed him of his speaking ability.

CAShh responds with ears that hear sighs and distress and eyes to see essentials and misfortune. It is comforting to know that we live in a community that will stand beside people that need help and prides itself in doing the right thing. For that, we thank you and commend you, especially during the Holiday Season.

If you are unsure of what gift to buy for someone, please consider giving a donation to CAShh in their honor, for goodness sake!
