

Fun festive activities for the family

It's great to spend the holidays with family and friends, but sometimes the boredom factor can set in. Here are some fun, festive ideas on how to spend time together.

Start fun, new traditions— Instead of the same old holiday cookies, create a major "wow" factor with holiday cake pops. Gather family and friends to bake and decorate with the Starbucks Cake Pop Kit. Your creations will look like they came from a seasoned pastry chef and stand out among all the traditional cookie baskets.

Holiday movie night— Introduce the holiday classics to the young ones—these movies are sure to bring back fond memories for you and create a memorable impression on your kids. Then, let them pick a recent holiday flick so you can all discover new favourites.

Volunteer together— Gather family and friends to spread some holiday cheer to those less fortunate. Organize a day where

you all meet up to volunteer at a local soup kitchen or food bank. Not only is it a great way to give back to your community, it will also give everyone in your group a sense of holiday spirit while working together.

Host a wrapping party— Turn on the holiday tunes, pull out the ribbon, make sure to have food and beverages on hand and you're set. This is a great way to turn a sometimes-daunting task of gift-wrapping into a fun and social event.

Play in the snow— Building snow forts and igloos isn't just for kids; it's a great way for everyone to enjoy some great fresh air and outdoor exercise. Pack a thermos of hot chocolate and stay outside even longer so you can sing some holiday carols under the stars.

Try one or two of these activities this holiday season, and see how time flies when you're having fun.
