Thinking about *Selling* or *Buying* a Home? Let's Talk!

Nollaig Shona

Johnson Associates realtors gathered at their office to take part in collecting gifts for the needy in Georgetown, Acton and Erin as part of their Johnsons Gives Back program. This year, the group concentrated on collecting gifts for single adults, providing practical gifts to that group of society who is often the least provided for. *Photo by Ted Brown*

*No matter how you say it, we hope it's grand!
We bid all our friends & kin a truly wonderful
Christmas Holiday.
Merry Christmas!*
