BELOW: Susan Kerr gets to work on the sample for the stained glass workshop.

It's been a busy month at the Cedarvale "Cottage." The Credit Valley Artisans' Hand Weavers and Spinners Guild held a five-hour scarf workshop on November 5 and the Potters and Sculptors Guild has been running a 10-week Wheel Throwing Pottery class on Tuesday evenings and a Hand-Building Pottery class on Wednesday evenings. The Stained Glass Guild has been working on the samples for their Candle Holder Workshop, which is being held on December 4. At the same time, all four guilds were busy preparing for the Annual Christmas Show and Sale that was held on November 26 and 27. For information on upcoming workshops and classes or to become a member, visit www.credit-valleyartisans.com.
