

## Giving bullies a rap

As part of the recent Anti-bullying Week, students at Holy Cross School enjoyed a visit from hip hop artist Duane "D.O." Gibson, who led them in a rap about being themselves, liking who they were and dealing with bullying. Gibson discussed ways to combat bullying focusing on building self-esteem, standing up to bullies and finding an outlet.

## Learn To Curl at the ACC

Next program starts Jan 8th

Starting Sunday, January 8th, a second 'Learn-To-Curl' program will be held at the Acton Curling Club. This two-hour weekly program is scheduled for a 2:00-4:00 pm time slot on Sunday afternoons.

Our instruction team leader is a Level Two instructor ... who takes participants through structured lessons on all aspects of the sport. Included are both group and individualized training.

In addition to learning the sport's most critical components -- delivery balance, line of delivery and rock release -- participants get lots of time for practice of techniques. They'll also do skills' drills and get into mini-games as part of the program.

The cost of this program is \$125.00 per person [this fee includes HST].
