

# Hockey hero coming to town Feb. 18

Where were you when Paul Henderson scored the winning goal to give Canada the win over Russia in the 1972 Summit Series?

I know where I was, but I can't tell you because some educators may be upset with me LOL! Halton Hills will have a chance to relive those memories as Paul Henderson will be coming to town February 18. Halton Hills will be hosting the Paul Henderson Jersey Homecoming Tour at Mold-Masters SportsPlex.

There will be a lot of Team Canada memorabilia on display. Don't miss an opportunity to meet Henderson as he will be there from 1-3 p.m.

...

Since council approval of the Town's practical Green Plan in 2008, the Plan has led to the implementation of actions that have improved the health of our natural environment.

The Green Plan has remained a living document. The Plan's implementation has been highly successful because its 70 recommendations are practical. The success of the Green Plan has provided a solid foundation from which to branch into the broader concept of sustainability where we will all strive to reach a higher quality of life by focusing on economic prosperity, environmental health, social well-being and cultural vibrancy in Halton Hills.

The budget process is over and the overall tax increase is 2.6% including school

## Rick Bonnette

board, Regional and, of course, the Town. The budget includes the commitment of the twin pads at Mold-Masters, completion of the Georgetown Library and Culture Centre, in addition to road construction, bridge replacement, storm sewer reconstruction, new firefighters and many other services.

...

Looking forward to the first Acton Winter Carnival on January 29 at Prospect Park. Lots of outdoor activities are planned.

...

Thank you to Jim Ford for his over 40 years in Kinsmen girls softball. You have been an inspiration and a mentor to many young people in our community.

...

Congratulations to Neil Cotton on being named the 2012 Hockey Heritage winner.

...
