# Drinking and Driving Starts Trouble.

If you're drinking, give someone else the keys to your car or you could be introduced to another set of keys — the keys to a cell at the local jail. Imprisonment, license suspension, hefty fines, injury or even death are some of the obstacles you face when you drink and drive. Always drive sober and steer clear of trouble.

To all my family and friends, many thanks for all the best wishes, cards and flowers.

It was wonderful to see all of you on my big day.

Joyce Hardman
