

# Board's special ed committee to host coffee chats with parents

The Halton District School Board's Special Education Advisory Committee (SEAC) has organized coffee chat sessions for parents of students with special needs.

These sessions are open to everyone, are free of charge and do not require registration. Parents can simply drop-in, learn, ask questions and meet other parents.

The lone Halton Hills session is set for Thursday, February 2, from 9:45-11:15 a.m. at Gardiner Public School, 14365 Danby Road, Georgetown. The topic will be financial planning for parents of children with special needs by Graeme S. Treeby

The guest speaker for the session is Graeme S. Treeby of The Special Needs Planning Group. It offers advisory ser-

VICES to parents of children with special needs to help with obtaining Ontario Disability Support Plan (ODSP) funding, setting up Henson trusts and Registered Disability Saving Plans (RDSPs), as well as advice on life insurance and wills. The group is comprised of lawyers and accountants who are parents of students with special needs, whose goal is to help parents arrange finances to provide the best possible support for their children.

Other sessions are set for Friday, April 13 9:30-11 a.m. at M.M. Robinson High School, 2425 Upper Middle Road, Burlington and Thursday, May 10 7-9:30 p.m. at Tiger Jeet Singh Public School, 640 Yates Drive, Milton. Agendas have not been finalized for those sessions.

## TEMPORARY ROAD CLOSURES

**Thursday, January 26, 2012 to Thursday, November 1, 2012**

The Town of Halton Hills Infrastructure Services Department is advising of Temporary Road Closures to vehicular traffic on the following:

- Church Street** between Main Street South and Market Street
- Market Street** between Church Street and Park Avenue

The Temporary Road Closures are required to facilitate the reconstruction of the expanded Georgetown Branch Library and Halton Hills Cultural Centre. Due to the restricted space around the site, the Temporary Road Closures will be intermittent throughout the project in order to allow for material and equipment access.

Any questions regarding these Temporary Road Closures should be directed to:
