HALTON HILLS HYDRO INC.
requires an
APPRENTICE METER TECHNICIAN

Halton Hills Hydro is a community focused electricity distribution utility servicing the Town of Halton Hills. We have a new position, Apprentice Meter Technician, in our Metering Department. Interested candidates may apply, in confidence, to express their interest in the position, outlining their education, experience and related qualifications. The successful candidate will have the following qualifications:

- A graduate of a Community College program in electrical technology (Power or Control) leading to registration as a certified engineering technologist or technician; field experience with electrical background up to 750V;
- Demonstrated commitment to safety in the workplace;
- Demonstrated mechanical aptitude, analytical, trouble shooting skills;
- Customer service oriented with strong interpersonal skills;
- Concise written and verbal communication skills;
- Valid Class G Ontario Driver's License;
- Proven ability to work effectively and safely in a team environment;
- Ability to perform essential duties of the position including the physical demands required which could be lifting in excess of 50 lbs., working in extreme weather conditions and working in an aerial device;
- Proficient in the use of a computer and related software applications, (ie) Microsoft Word, Excel
- Demonstrated company values, in particular, respect in the workplace.

This is a union position (40 hours per week) and compensation will be negotiated in accordance with the current Collective Agreement.

The successful applicant will start an apprenticeship program, and will be required to attend the MEARIE Meter Technician Training program as scheduled by Halton Hills Hydro. Entrance into Meter Technician Level 1 training requires the successful completion of the Theory Qualifying Test. Continuation in the Apprenticeship with Halton Hills Hydro will require successful completion of all levels of the apprenticeship training program.

Duties of the apprentice meter technician will include maintaining the infrastructure, (electronic interval meters, related communications equipment and network management systems), as well as the following:

- Installation and maintenance of single phase and polyphase meters and metering systems;
- Programming of electronic meters and testing of meters to ensure their accuracy;
- Setup and support of interval data collection systems (currently MV90);
- Maintenance, installation, operation and troubleshooting of Metering Systems; and
- Other duties as required.

Please forward your detailed resume, in confidence, by Friday February 10th, 2012 to:

RICE

Don and Joselynn Rice (nee David) are excited to announce the birth of their second son, Kaleb Joseph John Rice, on January 26th, 2012, 6lbs. 7ozs. Kaleb is well received by his older brother Chase. Proud grandparents are Richard and Florita David of Burlington.

SHIELDS / NIEWOJT

Proud grandparents Stan and Janina Niewojt, Danny and Gale Shields are thrilled to announce the safe arrival of our new wonderful granddaughter, Rosalie Violet Niewojt born on January 9th, 2012, 9 lbs. 6 oz. and 55 cm long. First time parents, Jennifer and Janek are over the moon with their new daughter, Rosie. Great Grandad, Tommy, also wants to welcome his 3rd great grandbaby to our growing family. Auntie Laura and Uncle Lawrence are tickled pink with their new niece. Rosie's big "furry" sister, Misiu (wired-hair fox terrier), is adjusting very well to her new little sister.

DEATHS

FORD, Robert John (Bob)

Passed away peacefully on Monday January 23rd, 2012 at Bethell House Hospice in Inglewood, Ontario at age 52 after a courageous battle with cancer. Loving son of Albert and Hazel (predeceased), brother of Linda (predeceased), David and Ken and long time companion to Caroline. Bob will be deeply missed by his family, close friends and colleagues. Friends will be received at the J.S. Jones & Son Funeral Home, 11582 Trafalgar Road, north of Maple Avenue, Georgetown, on Saturday February 4th from 1-2 followed by a memorial service in the chapel at 2:00 pm. As an expression of sympathy and in lieu of flowers, the family requests donations to Bethell House Hospice in gratitude of the loving care provided by the wonderful medical staff and volunteers. To send expressions of sympathy visit www.jsjonesandsonfuneralhome.com

GOULET, Henry

Peacefully, on Monday January 30th, 2012, at Bethell House, Inglewood. Henry, in his 65th year, loved brother of Rudy Gagne, Glen Gagne, Kent Gagne, Claude Goulet and Marie Anne Roy. Predeceased by his parents Joseph and Alice Goulet; brothers Carl, Larry and Neil Gagne. Fondly remembered by his many nieces, nephews, great-nieces and nephews. Friends will be received at the J.S. Jones & Son Funeral Home, 11582 Trafalgar Road, north of Maple Avenue, Georgetown 905-877-3631 on Sunday February 5th from 2-4 and 7-9 pm. Memorial service will be held in the chapel on Monday February 6th, 2012 at 11:00 am. Cremation has taken place. In memory contributions to the Bethell Hospice Foundation would be appreciated. To send expressions of sympathy visit www.jsjonesandsonfuneralhome.com

Office Help Wanted

Office Help Wanted

Minnow Environmental Inc. is a leader in Aquatic Environmental Consulting services, conducting studies in freshwater and marine environments across Canada. We are a small firm of aquatic scientists servicing the Canadian natural resource sector with offices in Georgetown, ON and Victoria, BC. We are currently seeking someone to join our Georgetown office as an administrative/field support staff member. The position will involve assistance with preparation of maps, tables and figures for technical reports as well as participation in field programs involving the collection of environmental samples (water, sediment, fish etc.) from aquatic environments across Canada. The successful candidate will have exceptional organizational skills, an eye for detail, experience in a variety of software applications including MS Word, MS Excel, Adobe Illustrator and an interest/experience in environmental studies. Experience with other software such as GIS and desktop publishing is also an asset. Post-secondary education in environmental science is preferred. The candidate must have a valid driver's license and be willing to travel and work in remote locations.

Minnow offers a competitive compensation and benefits package and an excellent work environment.

If interested, please submit your resume in confidence to:
