"All we can say is **wow** and a big **thank you** to Ray and his whole team. They were always available to answer any phone call, email or text, and there were alot! Always professional, patient and pleasant, was very comforting during a stressful time. We have no doubt that their excellent advice to get the house ready for sale, was key in selling our property in less than a week. We understand why the HeyRay team is so successful, well deserved."
