Impact hosts Bugarski Cup

Abbie Jolly of Georgetown's under-17 Impact returns a serve during the Ontario Volleyball Association's Bugarski Cup Championship West last Saturday at Christ the King Secondary School. The U-17 Impact had two tough opponents in the preliminary round and finished seventh in the nine-team tourney, while Georgetown's under-16s were edged 15-12 by the Kitchener-Waterloo Predators in the tiebreaking set in the semifinals, but went on to beat the Oakville Thunder in the consolation final. London's Forest City beat the Predators in the championship match. Meanwhile, in Stratford last weekend, a couple of Georgetown Impact squads ended up meeting in the final of the OVA McGregor Cup tournament. The under-15s downed the under-14s 25-17, 25-23 to claim the gold medals.
