

IN MEMORIAM

Maxine Brandford (Ryall)
June 13th, 1937 - March 3rd, 2011
Our dear loving mom, grandmother,
great grandmother.

It's been a year already since our lives were turned upside down. That day, dear Mom you were taken from us.

Everyday is a struggle knowing we can't see you or hear your voice again.
All we have left is our precious memories of how much you were our life and our rock.
Our tears flow daily,
Our hearts hurt beyond belief.
We are reminded by your great grandchildren not to cry that you will always be in our heart.
They are so right but it doesn't take that terrible pain away.

Our lives will never be the same without you here.
*You are so sadly missed and loved dearly,
Bob, Darlene
(Johnny and Roxy)
Your grandchildren and great grandchildren*

Dear Mom,
13 years have gone by since you were taken from us, it seems that it was just yesterday and other times it feels so long ago. Since your passing your family has grown adding to your family one Grandson Tanner, and seven great grandchildren Tyler, Alison, Adam, James, Gavin, Kyla, Jordan. We still hear your words of wisdom in our heads and keep with the traditions that you instilled in us, celebrating holidays together and continuing to have our family bar bq celebrating your birthday. You are missed by your grand children Greg, Stacey, Courtney, Lee, Alan, Island and Alexis.

We will continue to live our lives like you taught us hopefully making you proud.

*You are deeply loved by your children
Dixie, Gloria, Marsha, Rhonda,
Charles and Denean*

MADDIGAN, Frankie - In loving memory of our brother Frankie, who passed away March 4th, 2008.

God knew you had to leave us,
But you didn't go alone,
For part of us went with you,
The day He took you home.

Forever missed.

Your brothers and sisters

WILKINSON, Brian - in loving memory of a son and brother who passed away 10 years ago on March 2nd, 2002.

Deep in our hearts there's a picture,
More precious than silver or gold.
'Tis a picture of a dear son and brother,
Whose memory will never grow old.

Fondly remembered and sadly missed,
Mom, Heather, Frank, Dale and families

IN MEMORIAM

HARLEY, Robert Bruce - In loving memory of my beloved husband who passed away March 3rd, 1998.

I often think of all our cherished memories I keep within my heart,
Of days so long ago,
Before we had to part.
How I wish that you were here with me,
But I know nothing stays the same,
So I will keep on loving you,
Until we meet again.

"True Love Never Dies"

*Forever in my heart,
Mae*

As we look upon her picture,
Sweet memories are recalled,
Of a face so full of sunshine,
And a smile for one and all.
Please take this message to her,
Our dear mother up above,
Tell her how we miss her,
And give her all our love.

*With loving memories,

A Poem by Cathy Turner (Lyons)

The Sunday Swans
As morning broke,
the Sunday sun was aglitter;
It would be a day of relaxation
For the girl with the big brown eyes,
and her father.
It was a peaceful, symbolic place of serenity
that was captured all around
By the graceful swans
gliding across the glistening water
Spiced by the gentle breeze.
There was a certain magic held within
that only could be found
at the lake of the Sunday Swans.
No child could ever feel as much pride
As the brown-eyed girl when
she looked up at her father.
Even though fate took him away too soon,
There are still those memories
at the lake of the Sunday Swans.
Cathy Lyons

Drinking and Driving Can Distort Life.

Drink and drive, and your life may never be the same again. You not only risk your life when you drink and drive, you also risk losing your license, incurring expensive fines, doing time in jail or even causing injury or death to an innocent bystander. With all these consequences facing you, driving under the influence is the worst decision you can make. Don't take chances with drinking and driving; there's always a better alternative.

Strong showings for Gold Medal gymnasts

Georgetown's Ryan Oehrlein (top left) of the Gold Medal Gymnastics Club in Milton finished second in the all-around standings at the recent 2012 Elite Canada Artistic Gymnastics Championships in the HP Argo Men category at the Hershey Sports Zone in Mississauga. The 13-year-old Oehrlein placed first in the rings and vault exercise and second in both the pommels and parallel bars to finish with 171 points, just 1.2 behind winner Anthony Tawfik of Mississauga. Another local resident, Gold Medal's David Sandro (top right), was 9th all around with 158.05 points, headed up by a fifth-place result on the pommel horse. Gold Medal members Mitchell Holloway and Jeremy Meneses also competed at the meet, finishing 30th and 31st, respectively.

ARON HAMILTON

JADE OMARDEEN

MELISSA POTOCNIK

Local teens to appear on Degrassi

Local residents are stepping into the acting world with regular appearances on *Degrassi*.

Acton resident Aron Hamilton, 15, and Erin residents, Jade Omardeen, 15 and Melissa Potocnik, 17, came into the industry after attending one of talent agent Pat Jarosz's open calls for her agency, Bookitalent, last fall.

The series resumed shooting at the beginning of October and within days Jade was booked as a new Grade 9 student, Melissa as a new Grade 10 student and Aron as a UN delegate

from another school. There is a lot of awaiting involved between takes and actors are given time to complete their schoolwork while on set. If an actor shoots for two consecutive days, or after five school days worked, a tutor is provided.

Jarosz explains that youth are not eligible for the lead roles on the show until they turn 16. In the meantime, some actors are groomed for future roles by being incorporated into scenes. Jarosz has been an agent since 1980.
